

2020 QATAR NATIONAL BAJA MOTO

Communication #1 (18.10.2020)

Moto Navigation Equipment collection and fitting assistance

Location: QMMF

Wednesday (28/10)	19:00 / 21:30h	Bikes 1 – 7
Thursday (29/10)	08:00 / 11:00h	Bikes 8 – 15
Thursday (29/10)	11:00 / 13:00h	Remaining bikes

Riders should bring with them basic tooling to remove seat, side panels, fuel tank and battery. The centre area of handlebar needs to be free space and empty of equipment to enable fitting of navigation equipment to crossbar. The area on handlebar at left side should be free of switchgear or accessory to enable nav switchgear to be fitted between the inner edge of handgrip and clutch perch fitting.

All equipment will be decommissioned from the vehicles at end of the event.

For any motorcycle / quad that does not arrive at the end of the event, the rider is responsible to decommission and return the equipment to the organiser at the baja start/finish location no later than 15:30h or to QMMF office by 18:00hrs on Saturday, 31st October.
