

Date: 18th May 2024
Subject: Bulletin No.1

Time: 14:30 PM
Document 1

From: Race Director

To: All Competitors

The following Articles of 2024 Qatar Touring Car Championship Rules & Regulations is amended/modified as per below.

Article 3.9 - Turbo Engine

1. All engine parts must remain standard—none of the modifications from 3.9.4.1 onwards are allowed.

Rectified as below:

1. All engine parts must remain standard – none of the modifications from 3.9.1 to 3.9.3 are allowed.

Article 3.14 Fuel

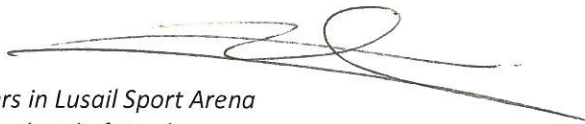

FUEL SPECIFICATIONS: Only Fuel commercially available within Qatar. Which are OCTANE 95 and OCTANE 91, are allowed.

Use of any other Fuel, Racing Fuel, Fuel additives or other Fuel modifications are strictly Prohibited.

Any Sample collected on the Race cars must comply with the OCTANE 98 and OCTANE 91 fuel standards available in the WOQOD network. Within the limits of the tolerances allowed by petroleum laboratories present on the territory of QATAR.

In the event that a sample is non-compliant, the competitor concerned will be automatically disqualified from the event during which the sample was taken. In case of a second offence during the same season, the competitor will be excluded from the Championship.

Race Director: Mr. Frank Vayssie
