1. Technical pre-inspection

A pre-inspection of the competition vehicles will be organized at Lusail Sports Arena on 13 March, from 18.30 to 20.30h.

This non-official and non-compulsory session is intended to give the competitors some additional time to find a solution in case any non-conformity is detected.

2. Sporting briefing

A non-official and non-compulsory briefing on sporting matters dedicated mostly to those co-drivers with less international experience will be organized at Lusail Sports Arena on 13 March at 19.00h.

The most important areas of the regulations will be covered, with special attention to the time card use, control procedures, red flag situation, service & refueling rules, etc...

Competitors are reminded that the attendance to the official briefing (14 March at 14.00h) by at least one of the members of the crew is compulsory.
