

2021 QATAR OFF-ROAD CHAMPIONSHIP
Round 2 / AUTO
Bulletin #3 (22.10.2021)

Refuelling

Any refuelling operation (before or during the Baja) must take place inside the dedicated space on the start/finish area.

The responsibility for refuelling (conformity and quantity) is on the competitor alone.

Engines must be switched off throughout the refuelling operation.

The use of mobile phones and radio communication is forbidden while in the refuelling zone.

It is recommended that the personnel involved in the refuelling operation (crew members or team members) wear goggles and homologated clothing, and it is mandatory to wear long clothes.
